An aerial photograph of a wellness estate. In the foreground, there are several large, modern buildings with dark blue roofs and white walls. A large green lawn is in front of one of the buildings, where a group of people is gathered. To the right, there is a parking lot with several cars. In the middle ground, there is a row of smaller, white houses with dark blue roofs, many of which have solar panels installed. A dense line of tall, green trees separates the houses from the background. In the background, there are rolling hills and a large, rugged mountain range under a cloudy sky.
